Safe Transport Policy

1. Purpose

The purpose of this Policy is to outline our procedures for safe transport after club games, special events, functions and other club-related activities where alcohol may be consumed.

The aim is to ensure our club:

- Meets its duty of care in relation to the health and safety of our Players, their Families, Members, Volunteers and Visitors who attend any club games, special events, functions and other activities.
- Upholds its reputation and that of our Sponsors, Partners and the NFNL

2. Scope

Ensuring members, visitors and guests getting to and from club games, activities and events safely is an important part of being a responsible, healthy club.

Sporting clubs such as ours help prevent drink driving related tragedies in the community by improving safety around transport and minimising the risk of developing a drinking culture.

3. Actions

This safe transport policy applies for all activities undertaken by the club that involve the serving and/or consumption of alcohol.

Our club will:

- Ensure low alcohol and non-alcoholic drink options are available.
- Promote moderation, bearing in mind our commitment to the Good Sports program, its philosophies and policies.
- Promote and implement strategies to create awareness of safe transport messages, encouraging members to plan how they'll get home safely before they go out e.g. pre-arranged transport.
- Ensure everybody knows the club is a Good Sports accredited club, communicate the safe transport options and regularly remind attendees to behave responsibly around alcohol.
- Encourage everybody to accept and take responsibility for their own behaviour, use good judgment and take a responsible approach towards alcohol consumption.

4. Policy Review

This policy will be reviewed annually to ensure it remains relevant to club operations and reflects both community expectations and legal requirements.
